

## <u>Cabrillo National Monument</u> <u>Wedding Permit Process and Application</u>

To help determine if the Monument is the best choice for your wedding location, please read the following guidelines we have established in order to protect the resources of the Monument and allow for public access to all areas:

- Permit fee: \$75.00 This fee is <u>non-refundable</u>; however, time or date of wedding can be changed if there is no conflict with other established permits.
- ❖ Before completing the application below, we highly recommend that you come up to the park to see the Bluff Event Site, to see if it will meet your needs.
- Weddings are permitted at the Bluff Event Site only. No area of the park is set aside for the exclusive use of any group; we simply allow weddings in this area of minimum visitor use.
- ❖ Maximum number of people: 100. The Bluff Event Site cannot accommodate more than this.
- Weddings are on a first come, first served basis.
- ❖ Due to the natural terrain of the area, set-ups such as chairs, carpet runners, arches, trellises, podiums, organs/pianos, or related items are not allowed.
- Non-amplified music from flutes, harps, guitars, etc. is permitted. Amplified music or public address systems are not allowed.

- There may be a guest who must sit down during the ceremony; someone may bring a chair for them and carry it out when leaving. Chairs may not be set up in advance of the ceremony.
- Flowers are permitted as long as they arrive and depart with the wedding party.
- No rice, birdseed, balloons, flower petals, or other decorations may be thrown or set up.
- ALL Vehicles must park in the main parking area, not by the Bluff Event site. Disabled persons may be driven to the lighthouse area and the cars returned to the main parking area.
- ❖ Weddings may not start later than 4pm (as park closes at 5:15pm)
- \* Receptions are not permitted within the park.
- There is no alternate location for the ceremony in case of inclement weather.
